WHAT OUR CLIENTS ARE SAYING

“ THANK YOU FOR HAVING SUCH A GREAT PRODUCT !

As a Distributor, we all hear the same request, “I want a gift that has the “WOW Factor”. I reached out to The CSI Group and explained my needs for a golf event...When my client opened the Presidential box...it was the “WOW factor” they wanted. A beautiful glove, ball markers, tools, hat clip, etc... all with the event logo.

The turnaround time was great, well before the event.

For the event date....The CSI Group sent Nicole and Lori to help me distribute the gifts and answer any questions. I received so many great comments, from everyone. The effort and great customer service from the start to the end were greatly appreciated.

FAQs

How do you know what hands and sizes to send?

To ensure EVERY player gets just the right fit, we send more gloves and ball markers than required. Since your client's logo is a detachable magnetic ball marker, you simply send us back the unused gloves.

What is the turnaround time for orders?

Please allow 3 weeks after art approval for items to be shipped

What retail brand are Top Gluv gloves closest to?

We work with the same manufacturers that sell to companies such as Footjoy and Callaway. Our quality is comparable to premium brand name gloves. Our gloves have a reinforced palm for maximum durability and flex for performance and comfort.

What are the differences in the 3 style options?

There are three styles of custom Cabretta leather golf gloves to choose from:

1. The Turnberry – most popular for tournaments. Synthetic Leather and Cabretta Leather.
2. The Spyglass – for VIPs and the most discerning golfers. Full Cabretta Leather.
3. Acufit 3.1 – a universal fit so ideal for corporate gift sets. Partial Cabretta Leather

Are golf accessories available on their own as tourney gifts?

Yes. We can custom brand a divot tool, hat clip and ball markers for your tourney.

How do I order a sample?
