IN-HOUSE DECORATING CAPABILITIES

Our highly skilled decorating teams are masters in 11 printing techniques. This means you get advanced personalization, even on small orders, quickly! A rarity for a North American company.

Direct to Garment (DTG) Printing
Prints directly onto fabric from a digital design.

Direct to Film Heat Transfers (DTF)
A process that transfers print onto fabric or other substrates using a heat-press mechanism.

Chemical Etching
A chemical manufacturing process originally designed for the circuit-board industry.

UV Printing
A unique method of digital printing utilizing ultraviolet (UV) light to dry and cure the ink upon contact.

Wide Format Banner Printing
A method of printing on materials that are too big for most standard commercial printing presses.

CO₂ Laser Engraver
A high-power CO₂ laser beam performs advanced personalization and high-precision laser engravings.

YAG Metal Laser
A laser cutting method and machine specially designed for metal cutting.

Hot Foil Stamping
A metallic or colored foil decorating process on paper, paperboard, leather, vinyl, linen and other materials

Brochure/Booklet Printing & Binding
High quality brochure and booklet printing.

Decal Epoxy Doming
Doming epoxy resins protect the design from the elements.

UV Decal Printing
Full-color embossed decorating is vibrant and adds dimension.

You've been wanting custom-branded gloves as tournament gifts for years. But ordering the right number of gloves in the right size & hand to fit each player was impossible.

NOT ANYMORE! INTRODUCING A **TURNKEY GLOVE GIFTING PROGRAM**

No Sizing Issues. No Overbuying.

The Top Gluv Tournament Glove Program ensures every player gets the right fit.

A detachable magnetic ball marker featuring a company logo is affixed to the top flap of the glove. This means every time a player takes off and puts on their glove, they see your company or client's branding.

HOW IT WORKS

Simply provide ...

- Your tournament date
- The number of golfers expected
- An approximate breakdown of male/female players
- Logo artwork

WE'LL HANDLE THE REST!

1 After you place an order (because we have a feeling you will), we'll ship out your custom-branded gloves.

2 We ship more gloves than required to ensure every golfer gets the right fit.

3 Gloves arrive in specially designed trays for distribution during registration. Unused gloves are sent back to us - at no charge to you.

Instant Personalization!
