How we do it!

👉 THANK YOU FOR HAVING SUCH A GREAT PRODUCT ! ★★★★★

As a Distributor, we all hear the same request, "I want a gift that has the "WOW Factor". I reached out to The CSI Group and explained my needs for a golf event...When my client opened the Presidential box...it was the "WOW factor" they wanted. A beautiful glove, ball markers, tools, hat clip, etc... all with the event logo.

The turnaround time was great, well before the event.

For the event date.....The CSI Group sent Nicole and Lori to help me distribute the gifts and answer any questions. I received so many great comments, from everyone. The effort and great customer service from the start to the end were greatly appreciated.
