

Next generation recycling technology.

Nalgene bottles are made from 50% certified recycled plastic, offsetting the use of fossil fuels and lowering greenhouse gas emissions. Built to last, guaranteed.

THE ORIGINAL TREND SETTER

32oz Wide Mouth

Wide-mouth design fits most filtration devices (not included) and is easy to fill with ice cubes. **Available in 34 colours.**

ONE HAND REFRESHMENT

24oz On-The-Go

Opens easily for convenient one-hand refreshment on the fly and locks to prevent spills. **Available in 8 colours.**

DESIGNED TO LAST

Built to last. If the bottle breaks, cracks, or starts leaking we'll replace it at no cost.

BUILT FOR HOT & COLD

Whether you're feeling hot or cold you can trust your Nalgene to handle both.

LIGHTWEIGHT

Ideal for outdoor activities when weight matters.

CUSTOMIZE

Add your brand, logo, team name or any other design your can think of.

DISH WASHER SAFE

The bottle is dishwasher safe but we suggest washing the lid by hand.

LEAK PROOF

High quality threads keep the bottle air tight down to the last drop.
